REM3IP products calibration code diagram

For Example (REM3IP)

Cabinet **Front View**(Size W500mmH1000mm)

Cabinets calibration's code:

23092117-0523-0001,0001 **incremental；**

1/2/3/4 is about the modules:

1 module calibration Module's code: 23092117-0523-0001-1

2 module calibration Module's code: 23092117-0523-0001-2

3 module calibration Module's code: 23092117-0523-0001-3

4 module calibration Module's code: 23092117-0523-0001-4

Spare modules:

23092117-0523-S0001,S0001 **incremental**；

1/2/3/4 is about the modules:

1 module calibration Module' code: 23092117-0523-S0001-1

2 module calibration Module' code: 23092117-0523-S0001-2

3 module calibration Module' code: 23092117-0523-S0001-3

4 module calibration Module' code: 23092117-0523-S0001-4

Module ID is the same.
